To

K. Sheshadri Iyer Esquire
C.S.I.
Dewan of Mysore

Sir,

The humble Application of Kasaranalli K. Labbania at Kasaranalli Alumani Nagani, Murtha hally Taluk Taluk Chinaya Dt.

Humbly Sheweth.

That about the month of July or August 1892 when the petitioner was getting the foundation of the house situated behind his main house dug by the Down Ghaut coolies that is, Malladiya, Thunga, Dunnoo, Venkata Chendoo, Chendiah. Some cold coins that is not fals of Gold coins were found in while Digging the foundation.

The above named coolies Concealed the fact of the discovery of these coins from the petitioner out of these coolies one cooly by name

name Chendoo went to his village Anjar Veriyadakada Nagapi Edapi Taluk and disposed of some coins. The police of that village came to know that Chendoo was disposing of gold coins asked him how he came by them. Then Chendoo said that gold coins were found in the foundation of the petitioner's house and that he picked up what was left by his Master the petitioner. The police of the Edapi Taluk informed this fact to the Virthachully Taluk police.- The police Inspector of Virthachully sent for Dummoo, Venkata, Malinga, Thunga, Chendiah who were working in the petitioners house and asked them if they gold coins were found there. They produced 3 packet of gold coins 2027 in number before the police Inspector. In the Edapi Taluk about 271 coins

were found.-

2. On the 15th October 1891. petitioner complained before the police Inspector of Mirthabully Taluk against these bodies of the theft of gold coins from the foundation of his house. The police arrested Dummoo, Venkata, Dualinga, Thimya and Chendiah and brought them before the 3rd Assistant Commissioner and 2nd class Magistrate of Chimoga for their confessions being recorded after their confessions statements were recorded, they were released, their act being held to amount to no case of theft. The petitioner again in 7th September 1891. complained to the Deputy Commissioner Chimoga, that the case of theft against them should be proceeded with and gold coins found should be handed over to him. The

&c

Deputy Commissioner passed an order Dated 7th November 1891. to the effect, that this has already been disposed of as no Case of theft, but to be enquired under Rules for Treasure Trove, a report from the Amildar has already been called for.-

The petitioner again on 7th June 1892 and 19th august 1892 applied to the Deputy Commissioner claiming these Coins as his. The Deputy Commissioner in 19th August 1892 passed the following order.-

"I have already decided and and informed the petitioner that he lost the benifit of the Treasure Trove Rules by his own misconduct petitioner may appeal if he is not satisfied with the order.-

3. The petitioner begs to state that the act of the coolies clearly amounts to the offence of theft and

2/c and the Deputy Commissioner ought
to have proceeded against them
criminally.-

4. That there is ample evidence
from the recorded confessional
statements of these coolies and the
police investigation and the enquiry
held by the Collector of Murshedabad
under the Treasure Trove Rules
that the place wherein these coins
were found belongs to the petitioners.-

5. That the procedure laid
down by the Treasure Trove —
Regulation were not complied
with and especially in as much
as no notification calling claimants
has been issued, and the claim
put in by the petitioners has been
summarily rejected to the great
detriment of justice.-

6. The petitioner prays
that the claim of the petitioners
be properly enquired into

and

and that the gold coins found be handed over to the petitioner. Copy attached.

The Chief Secretary to the
Dewan of Mysore

Sir,

In returning the Petition received with your Official Memorandum No Pet 575 of the 3d Instant, I have the honor to report that the Proceedings of the case have already been sent up to the Inspector General of Police in connection with certain Complaints in this as well as other cases against Hammanta Rao, Inspector of Sorabalii under suspension

2. So far as I can recollect the facts, Petitioner entirely failed to conform to the Treasure Trove Rules, and he was therefore informed that he lost the benefit of those rules.

3. He not only suppressed the in = formation of the discovery but also clandestinely made away with a large number of coins according to the list of his own son who, evidently under the influence of his father, denied the list subsequently.

4. The coolies with whom a lot of Coins were found, stated that the Petitioner made away a large portion of the coins found, while some of those produced by him before the Inspector, were concealed by the latter.

5. Later on, a Cousin of the Petitioner, Seshamma, put in a petition against the Petitioner and others stating that he was entitled to the coins discovered.

6. By order of the Inspector General of Police on a Telegram addressed to the Dewan by the Petitioner, the

Assistant Superintendent of Police appears to have deputed a Police Officer to enquire into the statement of the Petitioner to the effect that certain Coolies had still some coins with them and were disposing of them in the Udipi Taluk.

7. At the very onset, the case of theft against the coolies taken up by the Inspector of Police of Perthalli was thrown away, the late Assistant Commissioner of Police having observed that it was a case under the Treasure Trove Rules and not a theft under the I.P. Code.

8. Under these circumstances petitioner can have no claim to the coins received and deposited in the District Treasury, Shimoga.

9. The particulars of the coins in deposit are given below:

NOTIFICATION.

In supersession of Circular No. 6692—Gl. 75 of 28th February 1867. *Vide* Mysore Gazette No. 50 of 16th March 1867.

In order to remove doubts, which have arisen as to the proper procedure in cases of treasure trove, the Officiating Commissioner is pleased to direct that the following rules, adopted from Regulation XI of 1832 of the Madras Code, be observed in such cases in the Courts of Mysore and of Coorg.

In Coorg, the Superintendent's Court will take the place assigned in these rules to that of the Deputy Superintendent of a District.

1. Whenever any hidden treasure, consisting of gold or silver coin, or bullion, or of precious stones, or other valuable property, may be found buried in the earth, or otherwise concealed, within any part of the Territories of Mysore or of Coorg; and, after due notification, the owner thereof may not be discoverable, such hidden treasure shall become the property of the person or persons who may have found the same, provided it shall not exceed, in amount or value, the sum of one lakh of Rupees, and provided the finder or finders shall have conformed to these rules.

2. Whenever any person may find hidden treasure, of the descriptions stated in the foregoing section, he shall give immediate notice thereof to the Deputy Superintendent of the District, within whose jurisdiction the treasure may have been found; and shall, at the same time, deposit the treasure in the Deputy Superintendent's Court, with an exact inventory thereof.

3. The Deputy Superintendent, receiving a deposit as above directed, shall return a receipt for the treasure deposited, after causing the same to be carefully compared with the inventory; and shall issue a public notification, in the current languages of the country, to be published and affixed in his own Court house, requiring all persons who may have any claim or right to the treasure in deposit, to attend in person or by Vakil, and prove their title thereto, within six months from the date of the notice.

4. It shall be the duty of the Amildar in whose jurisdiction the treasure was found, acting under the instructions of the Deputy Superintendent, to bring forward and to support, in conformity with the foregoing provision, any claim of right which Government may appear to possess to such treasure. In the event of any claim of right being preferred, either on the part of individuals or of Government, pursuant to the prescribed notification, the Deputy Superintendent or his Assistant shall institute a summary inquiry into the claim preferred; and if the title of Government, or other person, so claiming the treasure in deposit, or any part thereof, be clearly established, he shall adjudge the same accordingly; subject to reimbursement of all expense incurred by the finder of the treasure, as well as to such compensation for the discovery of it as may in each case, appear just and reasonable.

5. If no claim of right be preferred, either by Government, or by any individual, within the period limited by the Notification directed in Section 3 of these rules, or if the claim or claims so preferred shall not, on a summary inquiry, appear to be well founded, and the amount or value of the hidden treasure found at the same time or in the same place, shall not exceed one lakh of Rupees, the Deputy Superintendent shall adjudge the same to the person or persons who may have discovered the treasure, and deposited it in the Court, as required by section 1; subject only to the actual expense which may have been incurred in adopting the measures prescribed by these rules.

6. If the amount or value of any hidden treasure found at the same time, or in the same place, shall exceed one lakh of Rupees, and no claim of right thereto be established, judgment shall be given according to the preceding section, in favor of the person or persons, who may have discovered and deposited the treasure to the amount of one lakh of Rupees; and the excess above that sum shall be declared at the disposal of Government.

7. If any person discovering hidden treasure of the description specified in section I of these rules, shall not, within one month after finding the same, give notice to the Deputy Superintendent in conformity with section 2, and make the deposit thereby required, he shall be considered to have forfeited all right and title to the treasure ; as well as all claim to a reimbursement of expense, compensation or reward, under the provisions of these rules ; and the treasure so clandestinely withheld from public investigation, shall on a summary suit, by any subsequent claimant of right, and proof of a just title thereto, be adjudged to the legal owner, with interest and costs ; or if no private claim be established, shall be liable to confiscation to Government.

8. The summary decisions of the Deputy Superintendents, which may be passed under these rules, shall be open to a summary appeal to the Superintendents, under the general rules in force relative to summary appeals.

9. The decisions of Superintendents on such appeals, shall be final ; unless the Judicial Commissioner should, on the face of the Decree, or on inspection of any documents exhibited with it, see just and sufficient ground for admitting a second summary appeal ; in which case only, such further appeal may be admitted, and proceeded upon, under the general rules in force for summary appeals.

"By Order,"

Officiating Secretary.
